Astronomy (Polish)

Astronomio, gwiezdna droga, Tys jest
matka wszelkiej wiedzy.

Chocby człowiek żył ubogo, Jego domem
kosmos swietny.

Nic czystszeego ponad gwiazdy.

Siegaj wyzej, gdy nad soba Przewspaniate
sledzisz Widowisko.

Astronomio, piekne nieba Ty poznajesz,
masz za swoje.

Wobec twojej szlachetnosci

Bledna ziemskie niepokoje.

Patrzac w gwiazdy widzisz dzieło
Boze.

Gwiazdy, ksiezyc, i planety.

Ad Astra

Ad astra per aspera.

Sursum, sursum, sursum.

Movere, deinceps, sinicura, post omnes.

Astronomy (English)

Astronomy, you're a path of stars, The
mother of all knowledge.

Even the poor Have the Universe as
their home.

There is nothing purer than the stars.

Reach higher, and follow This most
exquisite Spectacle.

Astronomy, beautiful skies Are yours to
study.

Your dignity is so great

That all earthly troubles are nought.

Looking at the stars, You see the work
of God.

Stars, moon, and planets.

To the Stars

To the stars through hardship.

Upward, upward, upward.

Move forward, look upward, leave all
cares behind.
